

Hispanic Heritage Month... Glendale Community College Libraries Resources

The Glendale Community College Libraries provide books and databases to locate resources to celebrate National Hispanic Heritage Month: September 15-October 15 (Presidential Proclamation, PL 100-402 of August 17, 1988) .

Databases

The Latino American Experience.

<http://lib.gccaz.edu/lmc/databases/about.cfm?productID=32>

“Wide-ranging and easy to use, the *Latino American Experience* (LAE) is the first-ever full-text database focusing on the history and culture of Latinos living in the United States. “Featuring more than 150 titles (including award-winning titles from Greenwood, Praeger, Art Publico, Columbia University Press, and other imprints), 1500 images, hundreds of primary documents, Spanish-language content, a Timeline and 225 vetted web sites, LAE is the most comprehensive digital resource to date to focus exclusively on Latinos, the largest and fastest-growing minority group in America. In addition, LAE’s Origins section features both ready-reference and in-depth information about the history, culture, and customs of the people of Latin America, the Caribbean, and the Iberian Peninsula.” (LAE)

Ethnic Newswatch

<http://lib.gccaz.edu/lmc/databases/about.cfm?productID=10>

“Ethnic Newswatch is an interdisciplinary, bilingual (English and Spanish) and comprehensive full text database of the newspapers, magazines and journals of the ethnic, minority and native press. Designed to provide the "other side of the story," ENW titles offer additional viewpoints from those proffered by the mainstream press. Coverage begins in 1990.” (EW)
